28 **STIPULATION**

Plaintiff United States of America, by and through its counsel of record, and defendant, by and through defendant's counsel of record, hereby stipulate as follows:

1. Defendant pleaded guilty pursuant to a plea agreement and was sentenced on October 22, 2024. By previous order, this matter was set for a restitution hearing on February 10, 2025.
2. By this stipulation, the parties now move to continue the status conference until March 3, 2025.

3. The parties agree and stipulate, and request that the Court find the following:
 - a) The government has represented that the discovery associated with this case includes material depicting child sexual abuse material, or child pornography, which must be and has been made available for inspection and copying at a law enforcement facility. The government has also provided a copy of the restitution requests in this matter to defense counsel.

b) Counsel for defendant desires additional time to review the restitution requests, compare them with the discovery, and consult with his client. Defense counsel is scheduled to meet with the case agent and review the evidence in this case in connection with the restitution request on February 12, 2025.

- c) Both parties request additional time to review the restitution requests and prepare for a hearing.

d) The government does not object to the continuance.

4. Thus, the restitution hearing should be continued to March 3, 2025, at 9:30 a.m. to allow the defendant to further investigate the restitution claims in advance of the hearing.

IT IS SO STIPULATED.
